

Support Conservation & Environmental Education in Kansas

2019 Excellence in Conservation & Environmental Education Awards Celebration

Friday, April 5, 2019 at the Sunset Zoo, Manhattan

Every year, educators from across Kansas demonstrate leadership and excellence in providing quality, hands-on, science-based conservation and environmental education that teaches our children about the richness, diversity and importance of our Kansas natural resources.

Please join us in recognizing those who make a difference for Kansas and our children. Your support of this event also helps insure that KACEE can continue to support these and other environmental educators in Kansas.

You can support these amazing educators and environmental education a number of ways!

- » [Register](#) to attend the Awards Celebration and bring your colleagues and friends
- » Become an event sponsor or a table sponsor
- » Donate auction items
- » Donate a service (e.g. bartending, table service)

I would like to support this event by becoming a:

- COTTONWOOD** EVENT SPONSOR
\$2500 & Up (Recognition to thousands in Kansas on website, social media, awards promotions, sponsor badge, table for 8 guests, and full page ad in awards celebration program)

- EVENT AUCTION DONATION**
OF ITEM OR SERVICE (Recognition as a donor)

KACEE's Mission:

To accelerate environmental literacy and engagement in Kansas through non-biased, science-based environmental education.

Why is Environmental Education Important?

- Fosters critical thinking, problem-solving skills and understanding of the places we live
- Prepares students to become active and engaged citizens who make informed and responsible decisions
- Connects children to nature which has social, cognitive and health benefits
