

WILD About the Next Generation of Learning

KACEE
KANSAS ASSOCIATION FOR
CONSERVATION &
ENVIRONMENTAL
EDUCATION

KACEE invites you to experience Project WILD & NGSS:

- Jump into a new adventure of applying the **NEXT GENERATION SCIENCE STANDARDS** to your curriculum using environmental education as our compass!
- Gain **INFORMATION, RESOURCES, and KNOWLEDGE** for an understanding of how NGSS and environmental education tie together
- Discover innovative ways to use a variety of **PROJECT WILD** guides to help meet your NGSS initiatives
- Learn how to **ENGAGE** children in a deeper understanding of science
- **SHOWCASE** your new skills and understanding in workshop teams in a fun and informal environment to help kick off the Kansas Green Schools and Environmental Education Conference

What: KGS/KEEC Pre-Conference Workshop includes Project WILD Aquatic and your choice of either Project WILD or Growing Up WILD

When: Friday, June 27, 2014 8:30 am—4:30 pm

Where: Ocean Room, Sedgwick County Zoo, 5555 Zoo Boulevard, Wichita, KS 67212-1698

Who: This event is open to all Pre K-12 formal and non-formal educators

Cost: \$55 per participant (includes lunch, drinks, snacks, and two project curriculum guides)

To Register for the Pre-Conference Workshop please visit the link listed below

Graduate Credit Available:

Opportunity for one graduate credit hour through Baker University will be available to Pre K-12 educators at an additional cost of \$70.00. Course enrollment forms and tuition payment will be accepted on the workshop day. Attendance at ALL 8 WORKSHOP HOURS, FULL ATTENDANCE at the Kansas Green Schools and Environmental Education Conference, and a HOMEWORK ASSIGNMENT are required for the credit.
