

Get Going with Green Schools!

KACEE
KANSAS ASSOCIATION FOR
CONSERVATION &
ENVIRONMENTAL
EDUCATION

KACEE invites you to experience KS Green Schools:

- Receive a \$100 stipend & \$50 tuition waiver for 1 hour of graduate credit
- Take home four activity guides including hundreds of hands-on activities
- Discover innovative ways to integrate natural resource, conservation, and environmental education into your curriculum & programs with ease
- Explore tools to help engage your school in green school projects such as energy conservation, recycling, water, air quality, and more!
- Learn how your district can save money, become a healthier place to work and learn, access grant funds, connect with your community, and receive statewide & national recognition for your green schools projects

What: Educator workshop includes Project Learning Tree & WET for all; Growing Up WILD & PLT Early Childhood for elementary educators ; WILD Aquatic & Flying WILD for middle and high school educators.

When: June 7-8, 2012 9:00 am—5:00 pm both days

Where: Manhattan, KS (location TBD)

Who: This workshop is open to all K-12 Educators (\$100 stipend and \$50 tuition waiver is for classroom teachers only)

Cost: \$ 15 per participant (includes 4 activity guides, lunch, drinks, snacks, & 2 days of professional development)

Pre-registration is required. Registration deadline is May 31.

Graduate Credit Information: Opportunity for one graduate credit hour through Baker University will be available at no cost to the first 20 k-12 classroom teachers to register (or at an additional cost of \$55.00 after the first 20). Course enrollment forms and tuition payment will be accepted on workshop day one. Attendance at all 16 workshop hours and a homework assignment are required for the credit.
